About CPN

Oslo, 23/11 2020

Dr. Xiuhua Zhang

Chinese Professionals in Norway
中国旅挪专家学者联合会

Visions of CPN

- To provide a social networking platform and enhance communication among Chinese living in Norway and facilitate fellow members' career advancement and academic achievement
- To promote mutual understanding and friendship between people of Norway and China and to promote Chinese tradition and culture in Norway.
- To enhance communications and cooperation between Norway and China in areas such as: culture and education, business and economy, science and technology, social development, etc.
- To provide consulting services for relevant organizations and enterprises in China and Norway.
- To promote cultural diversity and encourage active integration of the immigrants into the Norwegian society based on the abiding Norwegian laws and regulations.

Gather professionals and talents, develop exchange and collaboration

Chinese Professionals in Norway
中国旅挪专家学者联合会

What we do?

1

Developing social network

2

Sharing information

3

Innovation and Entrepreneurship

4

Promoting and connecting collaboration
between China and Norway

Chinese Professionals in Norway
中国旅挪专家学者联合会

How we do?

In Norway

- Chinese festival celebration
- Organizing seminars from members & professional works to all minority groups
- Connecting Norwegian companies to China
- Meeting delegations from China and making a match
- Partners to different networks, ERAS, open INNO lab
- Making contacts via members natural connections between two countries
- Reference groups on demand

In China

- Making cooperation agreements with relevant partners
- CPN Contact points in China
- Following norwegian state-visit to China
- Doing joined projects at work
- Take norwegian delegations to China, a next step?

Welcome to join CPN activities in 2020
